“Simulate and Evaluate your scoliosis corsets efficiency”

Brace
Installation

Simulated
Correction

Simulated
Pressures

Simulated
Fitting

- **Simulate** the scoliosis corset's efficiency before manufacturing
- **Optimize** the treatment success
- **Improve** your patient's comfort
- **Go further** in your research

*The first simulation web platform for O&P
More than 5 years of Research and Development
Clinical trials in more than 100 patients.
More than 20 scientific publications*
